EDITORIAL

Welcome to the 2020 Sevenoaks and District Motor Club Yearbook which shows the championship winners from previous seasons and the events for the forthcoming season.

I am very pleased that the committee have agreed to support my proposed changes to the Trog trophy, to both make it simpler and more appropriately award the efforts of club members to organise and support events. I hope that all club members will let me know if they think any other trophy rules are unclear or not well balanced and I would be happy to review them. Do you think that trophies should be spread among several competitors to reflect their individual commitment or have several go to a single competitor to reflect the glory of their achievements?

For those wishing to win these magnificent trophies which are presented at the club's annual awards dinner, I would recommend you take the time to read the rules for each in this yearbook. For example, you can only gain points for many of them in the events organised by SDMC. Several can be won by competing in events to which the SDMC is an invited club (which will be shown on the event regulations), whilst only three (Basil Tye, John Gott and Jack Kemsley) earn points at non-SDMC organised or invited events.

Sadly these very constraints worked against me in the 2019 season, as a job with the Army meant I was unable to compete in very few SDMC events. Therefore, although I came second in the Southern Britain Autotest championship for the third year running, I didn't appear very highly in any of the SDMC championships. Let that be a lesson to you all – support SDMC events!

CHAIRMAN'S REPORT

Another Successful Year.

The club celebrated another successful year during 2019. We ran a total of 19 events with the only disappointment being the cancellation of an April scatter rally and a postponed 20/20 car rally which we will run next year. Our events consisted of five evening and one all day Autotest and two AutoSOLO events all held at Brands Hatch, with a sprint at North Weald, one at Goodwood and three at Lydden Circuit. North Weald was run in conjunction with Borough 19 Motor Club with our other speed event sprints run in conjunction with our friends at Maidstone and Mid Kent, Borough 19 and Tunbridge Wells as co-promoted events. That way the cost of running these events is shared. Our other events consisted of a very successful 12 car rally, a popular car trial at Meopham and two scatter rallies. However, apart from all this our major investment was the return of our two day Crystal Palace sprint. The workload for this huge undertaking was led by Karen Webber who was the driving force behind the club to get this event re-established following an enforced year off in 2018.

The workload for this mammoth task simply dwarfs all our other events as it has to have a very large team to ensure everything is planned and co-ordinated as the course build up and take down alone at Crystal Palace Park entails a four day operation. It is simply incredible that a volunteer motor club can achieve such success and gain such international credibility as organisers, but with the backing of huge numbers of club members who all played their part, the event proved another terrific weekend of May Bank Holiday motorsport and each and every club member who played their part deserves to take a bow in support of Karen who worked tirelessly to ensure its success. Congratulations all.

When planning motorsport, the club has to consider the financial implications of staging such events irrespective of how high or lower profile these events are. The philosophy of Sevenoaks and District has always been to only put on the very best that we can achieve, so that people enjoy their day out and go home happy. But sadness was dealt in 2019 with the passing of several of our members including Martin Chinnery who was always known as 'Chin' to a large fraternity of the motorsport world. Chin became a member in 1968 and worked tirelessly since the day he joined in a variety of roles helping this club and various regional associations to forge ahead ideas and initiatives within the club motorsport environment. The club arranged a specially produced wreath for his funeral which took place in June and was attended by a very packed contingent of his many friends and colleagues.

This year book celebrates the club winners (and sometimes less fortunate!) during our competition year, but we must also remember all the other activities we take part in. We operate a good social side with regular meetings at the Bell Public House and take club stands at various charity events throughout the year. We also encourage the young to come and join us, giving every assistance to them starting up in motorsport with reduced or even free entries. The challenge we face as we start a new decade in 2020 will be with new technology, where everyone wants to do everything via the internet or by sitting on their settee with their mobile phone. This is where our younger members will be able to help us string together new ideas and procedures to ensure that this club, which was founded in 1954 will continue to evolve and indeed move successfully with the times for many more years to come. I hope you will enjoy reading this year book as it is a complete history of where it all began and who the people are that made it so great.

COVID-19 IMPACT STATEMENTS

Covid-19: Impact on SDMC

By Chris Judge

Although this year book celebrates what everyone achieved in 2019, our current thoughts concentrate on the coronavirus hitting us all in 2020. By the time this publication is issued, we all hope that the global virus will be under control and we can resume our normal lives. The crisis has resulted in all motorsport being suspended right across the world and our club will be hit with financial losses due to the cancellation of Motorsport at the Palace. When planning such a huge event, numerous costs are incurred to reserve the required infrastructure needed to ensure the event can actually take place. It is therefore a bitter blow for all the people who had spent many hours organising and planning the various operations and pre-publicity which has to be booked well advance of the event. All the signs were looking really positive with enhanced objectives being worked on following the 2019 event. Like with all the events we organise, we shall now have to look very closely at all our costs for the future to ensure and maintain the financial strength the club has always enjoyed.

Covid-19: Speed League impact

By David Knapp

We haven't had any sprints so far this year, MSUK cancelled permits about 2 weeks before the first event.

I have attached the 2020 calendar with the confirmed cancelled/postponed events in line with the MSUK June dates marked with a strikethrough. B19 are still planning to run the Snetterton weekend if MSUK stick to the current date which will be the first events of the year but are rounds 12 & 13 on the calendar.

I spoke to Chris the other week and our current intention is to still run the championship if the restrictions stay at June 30th but if that is extended we may look to cancel both championships for the year as if this goes to the end of August (which it looks like at least the social distancing & restrictions on large gatherings may well do) it is not really financially viable to have the cost of the awards for 9 rounds especially when 4 are so far away. If this does happen I will be looking to make sure we can still compete at these events as an invited club, it just won't form part of the championship. Hope that all makes sense.

We will be reviewing things again at the end of the month so hopefully we will have a bit more certainty with everything by then, I'll keep you updated as things progress.

SDMC CLUB HISTORY

The club was formed as the "Knole Motor Club", the first meeting taking place at Sevenoaks Rugby Club on the 7th March 1954. The first event, a road rally, (how times have changed), was held on the 16th May 1954. In August of that year it was decided that the name of the club should be as we know it today, and in December the first of many famous Dinner & Dance evenings took place. Tickets were one guinea! Rallies dominated the club calendar, but in July 1955, Sevenoaks and the M.G. Car Club co-promoted a sprint meeting - our first event at Brands Hatch. The club grew in stature during the next years, and 1962 saw another significant event entered on the calendar. The first Valence Hill Climb - FTD went to TA. Crawford in a Lotus Elite, in 33.28 secs. The entry for that first Valence was 81 cars; while the Lorraine Barrow Autotest, at Biggin Hill, attracted 117 entries.

In 1965, the club had some more "firsts", organising the inaugural race-meeting at Lydden Hill; the Kent Rally in Wales (the first non-Welsh club to enter the territory); and accepting an entry to the Valence Hill Climb from a certain Jim Tiller in his Allard J2. Throughout the years, Sevenoaks members have taken international honours in Racing and Rallying; Vic Elford shone in both categories, and David Seigle-Morris was another to claim international fame. Many competitors, who were to become famous, took part in Sevenoaks events: Gerry Marshall, John Miles, Piers Courage, Peter Gethin and Derek Bell to name a few. At the 1968 November race meeting saw James Hunt lining up amongst the Formula Fords. With time, a pattern of events has been established, with the evening Autotest series, (the brainchild of Basil Elkington) joining the list in 1969.

SEVENOAKS AND DISTRICT MOTOR CLUB TROPHIES

The Competition Year begins on the 1st January and ends 31st December. All awards listed will be subject to the Committee's discretion to withhold any trophy for which competition was deemed inadequate. All points scored will be entered in the records under the date of the relevant event. For ease of finding the relevant trophies in this document, awards have been grouped into the following categories:

- **Rose and Crown** – Trophies awarded using the Rose and Crown point scoring system
- **Speed** – Trophies awarded for Sprint and Hillclimb events in the Speed League Championship
- **Rally** – Trophies awarded for Rally competitions
- **Other Club Trophies** – Trophies for various competitions using other scoring systems not covered above.
- **Club Volunteers** – Trophies awarded for organisation, support in making events happen and promoting the club.
- **Committee** – Trophies whose award is judged by the SDMC committee.

POWER POINTS CLUB

The **POWER POINTS** Club is a new initiative to encourage more club members to participate in the Marshalling and organisation of 7Oaks events. Club motorsport needs this help so it can continue to offer a varied and efficiently run motorsport calendar for its membership.

To recognise the value of helping run 7Oaks events, **POWER POINTS** will be awarded for marshalling, organising or otherwise assisting on the day of the event.

These points will have a nominal value which can be redeemed as full or partial entry at 7Oaks events e.g. entry to an Autotest, Autosolo or even the annual Awards Dinner.

Terms and conditions of the scheme

Points will only be awarded to 7Oaks Motor Club members who have offered help at 7Oaks Motor Club organised events. This includes physical pre-event work such as Crystal Palace tyre strapping, however DOES NOT include pre-event administration work. The points have no actual cash value and they can only be redeemed against a 7Oaks Motor Club event entry fee.

Initially the reward points have no expiry date, although this may be subject to review.

POWER POINTS registration will be via the club's website at <http://www.sevenoaksmotorclub.com/power-points-club> Points will be verified by reference to the event signing on sheet, which has now been updated to incorporate more detail.

POWER POINTS must be claimed within 21 days following the event.

POWER POINTS nominal value: One point = £5 discount from 7Oaks Motor Club organised event entry cost, as described above.

POWER POINTS will be awarded at the following rates:-

One point per qualifying activity, (marshalling, organising or otherwise assisting on the day's event) to a maximum of one point per event.

Club members are responsible for claiming their points by simply completing the form via the link below within 21 days from the event. If you have no internet access please talk to Paul Hebden who is the **POWER POINTS** administrator who will arrange an alternative notification arrangement for you.

If you require further clarification, please contact Paul Hebden via the **POWER POINTS** Club email address powerpoints@sevenoaksmotorclub.com

TROPHY RECORD KEEPER (TRK) RULES

By Alex Peters, sdmc.trk@gmail.com

Event results

Sevenoaks and District Motor club award 41 separate trophies at our annual awards dinner. All of your results in SDMC organised motorsport events are automatically recorded and used to calculate championship points towards these trophies. However, for other events you need to submit your points to the Trophy Records Keeper (TRK). This should be done by the form at the link shown below. No other method will be accepted.

Please note the only way to submit your results:

sevenoaksmotorclub.com/results

You must be an SDMC member at the time of the event for your results to be recorded. (if your name is not on the membership list it will not be in the TRK database and therefore it will be impossible to allocate your points). <http://www.sevenoaksmotorclub.com/join>

All results must be submitted within 21 days of the event or they will not be recorded. All marshalling and event organisation claims will be checked against the event signing on sheets, so make sure you fill them in correctly! You must upload a copy of the event results or provide a hyperlink. Please don't send in claims for SDMC organised or Speed League events – they clog up the TRK mailbox!

Marshalling qualification

In order to qualify for some of the championships, you must carry out marshalling or other event support role at an SDMC organised events. The list of qualifying events is shown in the calendar on the SDMC website <http://www.sevenoaksmotorclub.com/7oaks-event-calendar-2020>, Acorn and the Yearbook.

The criteria are measured in "Chalky White points", which are the basis for the C.E.White marshalling trophy and are calculated as follows:

- 1 Chalky White point is required for a rally qualification
- 2 Chalky White points are required for a Speed League qualification
- 3 Chalky White points are required for a Rose & Crown qualification

C.E.White points are earned as follows:

- A half day event such as an evening Autotest or 12 Car Rally will earn you 1 point.
- An all-day event such as an Autosolo, Trial or Sprint will earn you 2 points
- For pre-event work 1 point is awarded for each half day or evening work party under supervision of the Clerk of Course. (Max 3 points per event).

All marshalling qualifications are taken directly from event signing on sheets automatically, so make sure you have filled them out correctly.

Junior birth dates needed!

If you are 21 or under and want to qualify for any of the junior trophies, please send in your name and date of birth to the membership secretary at sdmc.membership@gmail.com (this information was not collected reliably in the past, particularly for family members)

SOCIAL CALENDAR 2020

To be announced when the impact of Covid-19 lockdown is understood. This will appear on our website at <http://www.sevenoaksmotorclub.com/social>

NEW RULES FOR 2020

The SDMC committee have approved the following changes to club championship rules for the 2020 season, as proposed by the Trophy Records Keeper (TRK).

Trog Trophy

Problems with current Trog scoring system:

- Too complex for people to understand - not designed to encourage new club members to participate
- Bias of some disciplines over others with no underlying logic (why should a Nat B rally score more than a Nat B sprint?)
- Many roles currently carried out in 2019 are not recognised by the current Trog scoring system
- Incorrect balance to senior and junior roles points awards - need to both reward and encourage people.

Changes to Trog Trophy

Trog points will be awarded as follows club members for organising and running SDMC events, with the exception of marshalling (which is covered by the C.E.White trophy).

	Interclub (ex Nat B)	RS Clubman	Under 4 hours
(Level 1) Clerk of course Secretary of meeting	300	200	150
(Level 2) Chief marshal Entries secretary Asst. clerk of course Asst. Secretary of Meeting	150	100	80
(Level 3) Results Spectator Safety Officer Safety Officer Asst. chief marshal Pre-event work Steward Scrutineer / Noise	100	80	50

SDMC Helper Chief timekeeper Sector marshal Stage Com PR Officer Club stand			
(No Trog points) Marshal			

Crystal Palace status

Crystal Palace will not be given special status for Trog points.

ROSE AND CROWN CHAMPIONSHIP

This is the Club's oldest championship and possibly the most important as it incorporates all that we do. Points are awarded to competitors at all events in which SDMC was involved in the organisation. The award is named after the Rose and Crown pub at Green Street Green in Kent, which was used as a club meeting place early in its history.

The public house was originally situated at the foot of Old Hill with a pond and green in front of it. For much of the 18th century, it was owned by the local brewery, serving their Fox's Ales. When the current A21 Farnborough Way was built in 1927, the old pub stood on the route of the new road, and it therefore had to be replaced by the present building, set back from the road.

ELIGIBILITY

To be eligible for any of the ROSE & CROWN trophies, contenders must score 3 Chalky White points by marshalling or otherwise assisting in the organisation of Club events.

The Rose and Crown overall winner cannot win other R&C trophies, to further spread the recognition amongst other club members. This principle already applies to the Speed league.

SPEED LEAGUE FORMULA

The well tested scoring formula used by SDMC's Speed League Championship has been introduced to a number of other trophies for 2019 in order to better compare competitors' performances.

- Points will be awarded based on class position (regardless of class size) as follows:
 - 1st in class 10 points; 2nd 9 points; 3rd 8 points; 4th 7 points; 5th 6 points; 6th 5 points.
 - All other finishers will be awarded 4 points. (To be a finisher, competitors must complete one timed run)
- A competitor making FTD will receive 16 points, regardless of class size.
- One extra point will be awarded for each class competitor beaten up to a max of 5pts. (Any driver who starts practice, but fails to complete a timed run, will be considered as a 'competitor beaten' by a finisher. Competitors must advise the Scorer where this occurs; as such cars may be shown as DNS in the results.)
- FTD winners will score the extra points against their regular class.
- 2 points will be awarded to contenders starting practice but not completing a timed run.

ROSE AND CROWN SCORING

Points are calculated by the speed league formula and then multiplied by the following factor:

Event status	Scaling Factor
Half day	100%
Clubman	110%
Nat B	120%
Nat A	130%
International	140%

1200 TROPHY

Awarded to the member scoring the most Rose & Crown points in a taxed and insured four-seater saloon car of less than 1400cc (less than 1200cc up to 1995). There is a gap in awards between 1995 and 2008 due to nobody competing with a 1200 engine, before the decision was made to change the award criteria. Martin Mobsby was involved in establishing this trophy. Martin was an active member for many years, social secretary, and commentated at Valence hill climb and other events.

SEIGLE-MORRIS TROPHY

Awarded to the member with the second highest ROSE & CROWN points score.

David Seigle Morris is best remembered for running the Gulf London Rally between 1964 and 1967. This forestry event was a true marathon, eclipsing even the RAC Rally for speed and distance. It is hardly surprising then that, in his career as a works driver with BMC and Ford between 1960 and '65. His best results were on the Liege (fifth and sixth in works Healey 3000s) and the Alpine (two coupes in Cortinas and an outright victory).

He was a BMC works driver and shared a Lotus Cortina with fellow SDMC club member Vic Elford. David did hill climbs and stages, whilst Vic drove road sections. David worked as an architect on the LCC schools building programme.

JIM BATE TROPHY

Awarded to the Committee member scoring the most ROSE & CROWN points. (Renamed in 1991; previously known as the Committee Cup).

Jim Bate was the treasurer for SDMC and lived in Petts Wood. He was a skilled navigator who had a special trick to avoid car-sickness on events by eating Mars Bars! He was a Navigator on the RAC rally and always offered helpful advice to competitors when he was marshalling on an event. Because of his work for the club, it was decided to make the committee cup his memorial.

DES QUINN BOWL

Awarded to the member attending most SDMC organised events, either as a competitor or as an official. 2 points are awarded at events of Interclub or higher status; 1 point all other events.

Des Quinn was a keen club member who enjoyed Autotest and rally events. Des was the landlord at the Bell in Kemsing when SDMC first went there, he donated the trophy and sadly died a relatively short time later. His widow Katy then married Alan who was landlord of the pub that was then over the road and we moved with her.

TYRRELL-FLEMING TROPHIES

There are two separate trophies: Speed (left) and Non-Speed (right). Qualification: All events to which SDMC has been officially invited, but you must enter as a member of Sevenoaks & District Motor Club. Scoring System: Rose and Crown points are awarded for all events that SDMC organises or is invited to.

The Speed Trophy is awarded for Sprints and Hill Climbs. The non-speed Trophy is for Rallies, Autotests, Autosolos and Trials.

The Tyrrell Fleming trophies came from two members who rallied together, Ian Tyrrell and John Fleming. Ian worked for the family fencing company and eventually moved to the West Country to run a pub and John Fleming emigrated to South Africa where he continued to work as an agricultural engineer. While in the UK he tended to run slightly oddball cars such as a 1250 Alvis, and a Bentley or two.

CLUB VOLUNTEERS TROPHIES

The trophies in this section are awarded to people who carry out work to support the club, including organising, marshalling, and producing the club magazine.

Club Supporters rules

In order to reward the maximum number of people for volunteering to support SDMC, the following rules were introduced in the 2019 season:

Club supporters' trophies shall be mutually exclusive (each person can only win one trophy) and are awarded in the following order:

- Trog
- Chalky White
- Marvic
- 2nd & 3rd Trog
- 2nd & 3rd CE White

Trog points can only be won for a single role at an event. The club member should indicate on the signing on sheet which role is to count.

C.E. WHITE TROPHY

Awarded to the member doing most marshalling at SDMC organised events, other than the winner of the Trog trophy.

Points are awarded as follows:

- A half day event such as an evening Autotest or 12 Car Rally will earn you 1 point.
- An all-day event such as an Autosolo, Trial or Sprint will earn you 2 points
- For pre-event work 1 point is awarded for each half day or evening work party under supervision of the Clerk of Course. (Max 3 points per event).

All marshalling qualifications are taken directly from event signing on sheets

automatically, so make sure you have filled them out correctly.

Cyril Ernest “Chalky” White was a founder member of the club, along with his son Graham (who stepped down as the CEO of the HSCC in 2018).

BASIL ELKINGTON CUP

Awarded to the member who, in the opinion of the Committee, has done the most for the ACORN magazine, the official club website or social media. (First awarded in 1991. Prior to this a perpetual award, "The Authors Cup" was presented.)

Basil Elkington was an early member of the SDMC and was club secretary for many years. He served in the army throughout WW2 being rescued at Dunkirk and was later part of the Normandy landings. When he left the army he became a colonial policeman Palestine in 1947 – as a result he couldn't stand the smell of oranges due to the terrible things he had seen. He was then posted to Tanganyika and finally came home to join the SDMC in 1960. He also was chairman of the MSA Regional Committee for many years. He

mainly competed in rally events and was deputy clerk of the course on the Coronation Rally in 1953, which later became the Safari Rally. Basil died 1997, so the committee chose to commemorate the work he did on the Acorn magazine, renaming the Authors Cup in his honour.

COMPETITION TROPHIES

The awards in this section feature trophies awarded based on competition points systems other than Rose and Crown, Speed or Rally championships.

MARK DAWSON MEMORIAL TROPHY

Awarded to the member who best represents the spirit with which Mark approached his motor sport. Rankings from Chalky White, Tyrrell Fleming Speed and Non-Speed and Rose and Crown are combined with any no-score in each table being heavily penalised. For the first two years this was awarded to the best performance by a club member at our premier speed event (Snetterton and Cadwell).

Mark Dawson was a very popular young member of SDMC who worked as a telephone engineer. He was competition secretary on the committee and competed in all classes of events rally, autocross, speed, marshalling and, organising. Sadly he died of cancer in 2004. Mark's parents wanted an award to commemorate Mark and so the trophy is awarded to people who compete and contribute in all aspects of the club in the same way that Mark did.

UNIROYAL/STEEL CLAW TROPHY

Awarded to the member scoring most Rose and Crown points in car trials and Autotests organised by SDMC, or to which the club has been invited.

This trophy was given to the club by Uniroyal following club participation in the Belt Round Britain publicity stunt in October 1972 to demonstrate the wear capabilities of their "Steel Claw" tyres. Starting at Earl's Motor Show court several SDMC members collected a group of cars – Cortina Mk 3 GXL 2000 Auto, escort Mexico, Avenger 1500, Victor 2300SL and Mini Clubman 1000. They drove to Lands' End and on to Glasgow for their first overnight rest. They then returned south to Folkestone where they handed the cars over to the Folkestone Motor Club. Drivers included Chin, John Symes, rally photographer Hugh Bishop, and two Uniroyal reps in the Chrysler. Bernard Bird later suffered a spectacular accident at Valence Hillclimb in his special saloon Mini!

The Autotest awards are not traditionally presented at the main club awards night in February, but on a separate occasion in November, shared with the Speed League Forum. Awards are given for up to third place in each class (dependent on size) and for an overall Autotest champion. There is no formal perpetual Autotest trophy, only individual replicas.

COMMITTEE TROPHIES

All the trophies in this section are awarded by a vote of the SDMC committee.

TRENHAM CRESSWELL TROPHY

Awarded to the member who, in the opinion of the committee, does most to forward the interests of the Club. (Decided by secret vote.) This trophy can only be won by the same person once in five years.

Trenham Cresswell was a gentleman farmer who lived in a rather swish property in Blackheath and owned a farm in the Biggin Hill area and another in the Shoreham valley allowing SDMC to organise various events on his land including a speed grass hill climb, probably the only such event ever organised.

PRESIDENTS TROPHY

Awarded to the member who, in the opinion of the Committee, made the most outstanding motorsport achievement during the year. Sadly, this is not the original trophy, which went missing in at one point and had to be replaced.

The President's Trophy was originally presented by Jack Kemsley, an SDMC member who had a car dealership in Petts Wood area. He ran the RAC International Rally each year (SDMC did the start & finish marshalling for many years)

ELFORD BOWL

Awarded to the member who, in the opinion of the Committee, was the most successful in International Competition.

Vic Elford is a former sports car racing, rallying and Formula One driver from England. He participated in 13 World Championship F1 Grands Prix, debuting on 7 July 1968. He scored a total of 8 championship points. Nicknamed "Quick Vic" by his peers Elford was mainly a famous sports car competitor as well as a successful rally driver, associated often with Porsche.

Vic is the long term vice-president of the SDMC and still closely follows the clubs activities from his home in Florida. <http://vicelford.com/> Vic always carries an SDMC badge on his car or helmet, even in the Steve McQueen Le mans film.

RON COTTRELL TROPHY

For the 2017 season, SDMC created a new award in the memory of Ron Cottrell, for the most determined performance against adversity.

Ron was a pupil at the Valence School where SDMC held a hill climb for many years, combined with visits made to the school by John Surtees that prompted Ron's interest in motorsport, it was to be

a lifetime passion for him. Ron was born with cerebral palsy but despite many problems was determined to be involved, including serving as a flag marshal at Brands Hatch.

SPEED CHAMPIONSHIP

Sevenoaks and District Motor Club has been running a speed championship since 1970 and has had the benefit of being well supported by sponsors over the years. The Championship was started by Phil Whitehead who ran a garage in West Wickham. He raced an MG Midget and 970cc special saloon Mini. Phil also prepared race cars. Chris Judge purchased the Mini from him in 1978 and took over the running of the championship as Chris became 'Speed Secretary' of the club. The

championship then included 6 races, six sprints and two hillclimbs; Valence and Bodiam.

During the Seventies the Kentish Times Cup went to the winner of the championship, but in 1980 Bristol Street Motors began an eleven-year run as the championship's sponsor. Most of the Nineties was sponsored by Polkacrest who proudly continued the tradition, but for 2000 we were pleased to welcome The Marketing Machine at the head of this prestigious championship. The championship incorporates a number of awards as well as classes, such as Single-Seater, Tourist Trophy and Hillclimb categories. Prize money has historically been offered as well as trophies and we are proud to acknowledge widespread acclaim for this competition. Eligibility is restricted to Sevenoaks members only and requires gaining some marshalling points to qualify for an award. More recently we have had the sponsorship of Glazewing and StorGuard.

RACING WITH
**INSITE
 GRAPHICS**

For the 2020 Speed League Season we are very proud to announce that the championship will again be sponsored by club member and 2016 Speed League

champion Chris Berrisford's Insite Graphics Company for the sixth year, beginning in 2014. Regulations and further details are available from the Speed Secretary or the Competition Secretary.

SPEED LEAGUE SCORING

Members can only score points in one car per event. It is up to the member to advise the Championship Scorer which vehicle is to score, (if more than one is entered, before the start of the event.)

Points will be awarded based on class position (regardless of class size) as follows: 1st in class 10 points; 2nd 9 points; 3rd 8 points; 4th 7 points; 5th 6 points; 6th 5 points. All other finishers will be awarded 4 points. (To be a finisher, competitors must complete one timed run). A competitor making FTD will receive 16 points, regardless of class size. One extra point will be awarded for each class competitor beaten up to a max of 5pts.

(Any driver who starts practice, but fails to complete a timed run, will be considered as a 'competitor beaten' by a finisher. Competitors must advise the Scorer where this occurs; as such cars may be shown as DNS in the results.)

FTD winners will score the extra points against their regular class. 2 points will be awarded to contenders starting practice but not completing a timed run.

In addition to the main Speed Championship trophies, there are a number of other awards available. These reward certain aspects of the championship as there are circumstances that might preclude a competitor from the outright awards.

TOURIST TROPHY

The Tourist Trophy goes to the driver scoring most points in their best 5 rounds of the Speed League held outside the South East of the UK, other than the overall winner of the Championship. The trophy was set up to encourage participation in distant rounds.

KENTISH TIMES CUP (TAXED & INSURED)

The Kentish Times Cup goes to the highest placed taxed & insured car driver, other than the winner of the Speed Championship or the Muller Cup. Due to speed league regulations not including this specific wording, between 1980 and 2014 the Kentish Times Cup was awarded to the highest placed taxed & insured car driver, other than the winner of the Speed Championship or the winner of the Muller Cup. Points shall be scored as per the overall Speed League calculation taking the 10 best results, reduced where there are insufficient rounds. Taxed and Insured cars are defined as those vehicles competing in Category A regional Championship regulations. Between 1970 and 1979 the Kentish Times trophy was used as the trophy awarded to the overall Speed League Champion.

NEIL DAVISON MEMORIAL SHIELD (HILL CLIMB)

The Neil Davison Memorial Shield goes to the driver scoring most points in their best 3 Hill Climb rounds of the Speed League other than the overall winner of the Championship.

Neil was the chairman of Croydon MC. As a sprinter and rally driver he formed the Weald MC with Chin to get around licensing restrictions from MSA, to allow club members-only events to be organised. Sadly, he died young, suffering an accident at the finish line of a hill climb event when driving his Caterham. The trophy was instigated by the SDMC committee to commemorate Neil as he entered a lot of hill climbs.

PMJ ENGRAVING TROPHY

The PMJ Engraving Trophy goes to the driver scoring most points in the Speed League in a single seater or sports car. From 2015 onwards this excludes the overall winner of the Championship. Points shall be scored as per the overall Speed League calculation taking the 10 best results, reduced where there are insufficient rounds. The PMJ company based in Southborough was started by Doug Jennings (the trophy is named after his wife Pauline M Jennings) and was sold to Dave Wilkins when he

retired. Sadly, Dave became seriously ill, so Chin helped out with work then bought the company from Dave's estate when he passed away. Doug did a number of official roles in the club and started out in rallying. The Australian Formula 1 driver Mark Webber lived with Doug and attended his funeral. Doug founded the motorsport consortium from the Rochester, Sevenoaks and Tunbridge Wells motor clubs to put on co-operation events. There were no contenders for this award from 2015.

Example: 5th place in a class of 14 scores $23 + 9 = 32$ points.

JOHN GOTT MEMORIAL TROPHY

Awarded to the driver scoring most points in the Rally Championship. 1973-76 to the winner(s) of the Rally Championship.

John Gott was the Chief Constable of Northamptonshire and an international rally driver. This trophy is actually a genuine Coupe des Alpes for completing a stage unpenalised. Between 1942 and 1945 he was

attached to Bomber Command and he was awarded the George Medal for rescue work during an air raid, and the MBE for rescuing the crew of a blazing RAF plane. In 1947 he acquired an HRG and finished every Alpine Rally from 1948 to 1951, winning a Coupe des Alpes in 1951. By the late fifties he was a member of the highly successful BMC works rally team which dominated the Alpine and Liege Rallies of 1960, and he also took class wins on the Tulip, Liege and Geneva rallies, mainly in Austin Healeys. In 1960 John was appointed Chief Constable of Northamptonshire and retired from rallying. He held this post until his death, and was known for his outspoken views on the wearing of seatbelts and speed limits. He took up club motor racing in an ex-works Austin Healey, with which he had many class, race and championship wins. He was also Vice-Chairman of the RAC Competitions Committee and sat on the CSI International Court of Appeal. He was killed at the wheel of his racing car in 1972. The picture shows John on the right with Ray Brookes and their MGA twin cam in 1958.
