EDITORIAL

Welcome to the 2024 Sevenoaks and District Motor Club Yearbook which shows the championship winners from previous seasons and the events for the forthcoming season.

What an amazing season 2023 was, with Sarah Munns scoring what was almost certainly the highest score in the history of the Speed League with 147 out of a theoretical maximum of 150 points. You can read her story in Acorn. Congratulations also go to Phil Bailey, winner of SDMC's other prestigious trophy, the Rose and Crown. Over recent years Phil has been instrumental in his work behind the scenes setting up our events, it is great to see him getting glory on track.

There have been some minor rule changes, this year (see page 16). The most significant of which is the Tyrrell Fleming (my personal thank for Chris Judge for providing the original intent behind them). This gives a new opportunity to win trophies! I hope to publish a series in Acorn to explain each trophy and the particular tactics you need to win it. (It's not just about being the fastest driver on track).

My own 2023 season was exciting, for a long time leading the Speed League championship, however, plague with differential problems, I eventually finished second to the mighty (and well deserving) Sarah Munns. Maybe I can do better in 2024...

A big thanks to all SDMC members who got involved on track or organising, your names are all on the roll of honour

SDMC 75th ANNIVERSARY

in 1954 Rodney Crouch, J.Holmes-Higgin and three friends chatted in a pub and decided that there was no local motor club in their area, so they got together and advertised in the local paper. The advert generated a good response and a first meeting of the Knole Motor Club was held at Sevenoaks Rugby Club on 7th March 1954. They got together a committee and their very first event was a local road rally held on 16th May 1954. In August 1954 it was renamed the club Sevenoaks & District Motor Club. Early motorsport was mostly dominated by rallying, but in 1955 the club got together with the local MG Car Club and staged a co-promoted car sprint at Brands Hatch. Then in 1962 as speed events were growing ran a hillclimb at Valence School in Westerham which became the club's premier event with the very first entries being 81. The annual Lorraine Barrow tarmac autotest attracted a staggering 117 entries! Branching out in other forms of motorsport in 1965 organised the 'very first' race meeting at Lydden Hill and with rallying being extremely popular went to Wales to run the 'Kent Rally!

The club continued to grow in status with members taking international honours in Racing and Rallying. Vic Elford (who became a Sevenoaks member in 1967) shone in both categories in Formula 1 taking part in 13 Grand Prix's. He became a Ford works rally driver, won the European Rally Championship and won the Monte Carlo Rally and the Daytona 24-hour race along with umpteen other successes such as sports car titles in a Porsche 917. The Elford Bowl has been presented every year since 1968. Vic passed away in 2022 but his motorsport helmets always had the Sevenoaks club badge on irrespective of event. Other notable names in the club who became famous were David Seigle Morris, Gerry Marshall, John Miles, Piers Courage, Peter Gethin and Derek Bell to name just a few. At the clubs November Brands Hatch race meeting in 1968 we saw a certain James Hunt driving a Formula Ford.

Organising events takes a lot of time and commitment and committees have to work together and communicate properly. Once such giant in our club history was Basil Elkington who in 1969 decided it would be fun to compete in summer evenings, gaining approval from the then RAC Motor Sports Division to create the 'Evening Autotests' The 1970's were really a golden age for motorsport and this with John Symes as chairman gained a strong financial presence and numerous highs In 1998 Colin Billings created a long term legacy with the innovation of running a speed event at Crystal Palace. In 2000 SDMC won the prestigious Motorsport Club of the year and received international acclaim from the FIA (The International Governing Body of Motorsport) for the way we run our club evening autotests at Brands Hatch in 2022. They copied the way we do things to create an international template which is now used worldwide.

SDMC CLUB HISTORY

The club was formed as the "Knole Motor Club", by Rodney Crouch, J.Holmes-Higgin and three others, the first meeting taking place at Sevenoaks Rugby Club on the 7th March 1954. The first event, a road rally, (how times have changed), was held on the 16th May 1954. In August of that year it was decided that the name of the club should be as we know it today, and in December the first of many famous Dinner & Dance evenings took place. Tickets were one guinea! Rallies dominated the club calendar, but in July 1955, Sevenoaks and the M.G. Car Club co-promoted a sprint meeting - our first event at Brands Hatch. The club grew in stature during the next years, and 1962 saw another significant event entered on the calendar. The first Valence Hill Climb - FTD went to TA. Crawford in a Lotus Elite, in 33.28 secs. The entry for that

first Valence was 81 cars; while the Lorraine Barrow Autotest, at Biggin Hill, attracted 117 entries.

In 1965, the club had some more "firsts", organising the inaugural race-meeting at Lydden Hill; the Kent Rally in Wales (the first non-Welsh club to enter the territory); and accepting an entry to the Valence Hill Climb from a certain Jim Tiller in his Allard J2. Throughout the years, Sevenoaks members have taken international honours in Racing and Rallying; Vic Elford shone in both categories, and David Seigle-Morris was another to claim international fame. Many competitors, who were to become famous, took part in Sevenoaks events: Gerry Marshall, John Miles, Piers Courage, Peter Gethin and Derek Bell to name a few. At the 1968 November race meeting saw James Hunt lining up amongst the Formula Fords. With time, a pattern of events has been established, with the evening Autotest series, (the brainchild of Basil Elkington) joining the list in 1969.

The Sevenoaks Rugby Clubhouse, where the SDMC first met in 1954.

Rodney Crouch (born 1935) is a keen motorsport follower and built two kit cars in his time and owned a motor spares shop in Sevenoaks. He became a motorsport commentator and here he is with (what looks like) a Cooper 500 in the background.

Our thanks go to Fiona Jordan, daughter of founder Rodney Crouch, for providing information and the press cutting on the formation of the club

SEVENOAKS AND DISTRICT MOTOR CLUB TROPHIES

The Competition Year begins on the 1st January and ends 31st December. All awards listed will be subject to the Committee's discretion to withhold any trophy for which competition was deemed inadequate. All points scored will be entered in the records under the date of the relevant event. For ease of finding the relevant trophies in this document, awards have been grouped into the following categories:

- **Rose and Crown** – Trophies awarded using the Rose and Crown point scoring system
- **Speed** – Trophies awarded for Sprint and Hillclimb events in the Speed League Championship
- **Rally** – Trophies awarded for Rally competitions
- **Other Club Trophies** – Trophies for various competitions using other scoring systems not covered above.
- **Club Volunteers** – Trophies awarded for organisation, support in making events happen and promoting the club.
- **Committee** – Trophies whose award is judged by the SDMC committee.

POWER POINTS CLUB

The **POWER POINTS** Club is an initiative to encourage more club members to participate in the Marshalling and organisation of SDMC events. Club motorsport needs this help so it can continue to offer a varied and efficiently run motorsport calendar for its membership.

To recognise the value of helping run SDMC events, **POWER POINTS** will be awarded for marshalling, organising or otherwise assisting on the day of the event.

These points will have a nominal value which can be redeemed as full or partial entry at SDMC events e.g. entry to an Autotest, Autosolo or even the annual Awards Dinner.

Terms and conditions of the scheme

Points will only be awarded to SDMC members who have offered help at SDMC organised events. This includes physical pre-event work such as Crystal Palace tyre strapping, however DOES NOT include pre-event administration work. The points have no actual cash value and they can only be redeemed against a SDMC event entry fee.

Initially the reward points have no expiry date, although this may be subject to review.

POWER POINTS registration will be via the club's website at <http://www.sevenoaksmotorclub.com/power-points-club> Points will be verified by reference to the event signing on sheet, which has now been updated to incorporate more detail.

POWER POINTS must be claimed within 21 days following the event.

POWER POINTS nominal value: One point = £5 discount from 7Oaks Motor Club organised event entry cost, as described above.

POWER POINTS will be awarded at the following rates:-

One point per qualifying activity, (marshalling, organising or otherwise assisting on the day's event) to a maximum of one point per event.

Club members are responsible for claiming their points by simply completing the form via the link below within 21 days from the event.

If you require further clarification, please contact the Chief Marshal, Glyn Williams.

TROPHY RECORD KEEPER (TRK) RULES

Event results

Sevenoaks and District Motor club award 41 separate trophies at our annual awards dinner. All of your results in SDMC organised motorsport events are automatically recorded and used to calculate championship points towards these trophies. However, for other events you need to submit your points to the Trophy Records Keeper (TRK). This should be done by the form at the link shown below. No other method will be accepted.

Please note the only way to submit your results:

<https://sevenoaksmotorclub.com/trk-results/>

You must be an SDMC member at the time of the event for your results to be recorded. (if your name is not on the membership list it will not be in the TRK database and therefore it will be impossible to allocate your points).
<http://www.sevenoaksmotorclub.com/join>

All results must be submitted within 21 days of the event or they will not be recorded. All marshalling and event organisation claims will be checked against the event signing on sheets, so make sure you fill them in correctly! You must upload a copy of the event results or provide a hyperlink. Please don't send in claims for SDMC organised or Speed League events – they clog up the TRK mailbox!

Marshalling qualification

In order to qualify for some of the championships, you must carry out marshalling or other event support role at an SDMC organised events. The list of qualifying events is shown in the calendar on the SDMC website, Acorn and the Yearbook.

The criteria are measured in "Chalky White points", which are the basis for the C.E.White marshalling trophy and are calculated as follows:

- 1 Chalky White point is required for a rally qualification
- 2 Chalky White points are required for a Speed League qualification
- 3 Chalky White points are required for a Rose & Crown qualification

C.E.White points are earned as follows:

- A half day event such as an evening Autotest or 12 Car Rally will earn you 1 point.
- An all-day event such as an Autosolo, Trial or Sprint will earn you 2 points
- For pre-event work 1 point is awarded for each half day or evening work party under supervision of the Clerk of Course. (Max 3 points per event).

All marshalling qualifications are taken directly from event signing on sheets automatically, so make sure you have filled them out correctly.

No Marshalling and competing at an event

From the 2023 season it will no longer be possible to score marshalling points (for the CE white trophy or for qualification for other championships) whilst competing at an event (otherwise people will gain an unfair advantage by scoring points in two championships at once).

NEW RULES FOR 2023

The following are changes in the rules for the award of SDMC trophies in the 2023 season as approved by the committee.

Marshalling and competing

From the 2023 season it will no longer be possible to score marshalling points whilst competing at an event (otherwise people will gain an unfair advantage by scoring points in two championships at once). If a member does both, they will only receive points for competition.

Autotest awards only for SDMC members

From the 2023 season, only registered members of SDMC shall be eligible to win autotest series awards. Non-SDMC members may still win individual awards at the event.

Clarification of Tyrrell Fleming trophies

The yearbook wording for the Tyrell Fleming trophies has been ambiguous since at least 2013, probably a lot longer. It has now been clarified that they are awarded for non-SDMC organised events, that the SDMC has been invited to.

Therefore, these trophies are no longer part of the "Rose and Crown" category.

Allocation of Speed League trophies

As the bulk of the Speed League trophies tend to be won by the people in second and third place, from the 2024 season they will be distributed evenly. An order has been defined (based upon the difficulty of winning each trophy) and each competitor will only receive a single trophy.

ROSE AND CROWN CHAMPIONSHIP

This is the Club's oldest championship and possibly the most important as it incorporates all that we do. Points are awarded to competitors at all events in which SDMC was involved in the organisation. The award is named after the Rose and Crown pub at Green Street Green in Kent, which was used as a club meeting place early in its history.

The public house was original situated at the foot of Old Hill with a pond and green in front of it. For much of the 18th century, it was owned by the local brewery, serving their Fox's Ales. When the current A21 Farnborough Way was built in 1927, the old pub stood on the route of the new road, and it therefore had to be replaced by the present building, set back from the road.

ELIGIBILITY

To be eligible for any of the ROSE & CROWN trophies, contenders must score 3 Chalky White points by marshalling or otherwise assisting in the organisation of Club events.

SPEED LEAGUE FORMULA

The well tested scoring formula used by SDMC's Speed League Championship has been introduced to a number of other trophies for 2019 in order to better compare

competitors' performances.

- Points will be awarded based on class position (regardless of class size) as follows:
 - 1st in class 10 points; 2nd 9 points; 3rd 8 points; 4th 7 points; 5th 6 points; 6th 5 points.
 - All other finishers will be awarded 4 points. (To be a finisher, competitors must complete one timed run)
- A competitor making FTD will receive 16 points, regardless of class size.
- One extra point will be awarded for each class competitor beaten up to a max of 5pts. (Any driver who starts practice, but fails to complete a timed run, will be considered as a 'competitor beaten' by a finisher. Competitors must advise the Scorer where this occurs; as such cars may be shown as DNS in the results.)
- FTD winners will score the extra points against their regular class.
- 2 points will be awarded to contenders starting practice but not completing a timed run.

ROSE AND CROWN SCORING

Points are calculated by the speed league formula and then multiplied by the following factor:

Event status	Scaling Factor
Half day	100%
Clubman	150%
Interclub	200%
National	250%
International	300%

For the 2024 season, the original physical Rose and Crown trophy will be replaced with the more spectacular Bristol Street Trophy, with the names of all former winners transcribed.

The winner of the Rose and Crown trophy is not eligible to win other R&C series trophies.

ROSE AND CROWN OFFICIALS BONUS

Any member who carries out the role of Clerk of the course or Secretary of the event at an SDMC event will receive bonus points equal to twice the FTD score (multiplied by the Rose and Crown Scaling factor for this event).

- The R&C Officials Bonus can only be earned once per season (if an official

role is carried out more than once, then the highest score will be awarded).

- The R&C Officials Bonus points will not be awarded until the competitor has scored regular points in an SDMC event (i.e. the R&C trophy cannot be won solely on official bonus points.
- R&C Officials Bonus points only count to the main R&C trophy, not to the other R&C series trophies.

1200 TROPHY

Awarded to the member scoring the most Rose & Crown points in a taxed and insured four-seater saloon car of less than 1400cc (less than 1200cc up to 1995). There is a gap in awards between 1995 and 2008 due to nobody competing with a 1200 engine, before the decision was made to change the award criteria. Martin Mobsby was involved in establishing this trophy. Martin was an active member for many years, social secretary, and commented at Valence hill climb and other events.

SEIGLE-MORRIS TROPHY

Awarded to the member with the second highest ROSE & CROWN points score.

David Seigle Morris is best remembered for running the Gulf London Rally between 1964 and 1967. This forestry event was a true marathon, eclipsing even the RAC Rally for speed and distance. It is hardly surprising then that, in his career as a works driver with BMC and Ford between 1960 and '65 his best results were on the Liege (fifth and sixth in works Healey 3000s) and the Alpine (two Coupes des Alpes in Cortinas and an outright victory). He was a BMC works driver and shared a Lotus Cortina with fellow SDMC club member Vic Elford. David did hill climbs and stages, whilst Vic drove road sections. David worked as an architect on the LCC schools building programme.

JIM BATE TROPHY

Awarded to the Committee member scoring the most ROSE & CROWN points. (Renamed in 1991; previously known as the Committee Cup).

Jim Bate was the treasurer for SDMC and lived in Petts Wood. He was a skilled navigator who had a special trick to avoid car-sickness on events by eating Mars Bars! He was a Navigator on the RAC rally and always offered helpful advice to competitors when he was marshalling on an event. Because of his work for the club, it was decided to make the committee cup his memorial.

DES QUINN BOWL

Awarded to the member attending most SDMC organised events, either as a competitor or as an official. 2 points are awarded at events of Interclub or higher status; 1 point all other events.

Des Quinn was a keen club member who enjoyed Autotest and rally events. Des was the landlord at the Bell in Kemsing when SDMC first went there, he donated the trophy and sadly died a relatively short time later. His widow Katy then married Alan who was landlord of the pub that was then over the road and we moved with her.

CLUB VOLUNTEERS TROPHIES

The trophies in this section are awarded to people who carry out work to support the club, including organising, marshalling, and producing the club magazine.

Club Supporters rules

In order to reward the maximum number of people for volunteering to support SDMC, the following rules were introduced in the 2019 season:

Club supporters' trophies are mutually exclusive (each person can only win one trophy) and are awarded in the following order:

- Trog
- Chalky White
- Marvic
- 2nd & 3rd Trog
- 2nd & 3rd CE White

Trog points can only be won for a single simultaneous role at an event. The club member should indicate on the signing on sheet which role is to count.

C.E. WHITE TROPHY

Awarded to the member doing most marshalling at SDMC organised events, other than the winner of the Trog trophy.

Points are awarded as follows:

- A half day event such as an evening Autotest or 12 Car Rally will earn you 1 point.
- An all-day event such as an Autosolo, Trial or Sprint will earn you 2 points
- For pre-event work 1 point is awarded for each half day or evening work party under supervision of the Clerk of Course. (Max 3 points per event).

All marshalling qualifications are taken directly from event signing on sheets

automatically, so make sure you have filled them out correctly.

Cyril Ernest “Chalky” White was a founder member of the club, along with his son Graham (who stepped down as the CEO of the HSCC in 2018).

BASIL ELKINGTON CUP

Awarded to the member who, in the opinion of the Committee, has done the most for the ACORN magazine, the official club website or social media. (First awarded in 1991. Prior to this a perpetual award, "The Authors Cup" was presented.)

Basil Elkington was an early member of the SDMC and was club secretary for many years. He served in the army throughout WW2 being rescued at Dunkirk and was later part of the Normandy landings. When he left the army, he became a colonial policeman in Palestine in 1947 – as a result he couldn't stand the smell of oranges due to the terrible things he had seen. He was then posted to Tanganyika and finally came home to join the SDMC in 1960. He also was chairman of the MSA Regional Committee for many years. He

mainly competed in rally events and was deputy clerk of the course on the Coronation Rally in 1953, which later became the Safari Rally. Basil died 1997, so the committee chose to commemorate the work he did on the Acorn magazine, renaming the Authors Cup in his honour.

COMPETITION TROPHIES

The awards in this section feature trophies awarded based on competition points systems other than Rose and Crown, Speed or Rally championships.

MARK DAWSON MEMORIAL TROPHY

Awarded to the member who best represents the spirit with which Mark approached his motor sport. Rankings from Chalky White, Tyrrell Fleming Speed and Non-Speed and Rose and Crown are combined with any no-score in each table being heavily penalised. The lowest total score is the winner. For the first two years this was awarded to the best performance by a club member at the SDMC's premier speed events (Snetterton and Cadwell).

Mark Dawson was a very popular young member of SDMC who worked as a telephone engineer. He was competition secretary on the committee and competed in all classes of events rally, autocross, speed, marshalling and, organising. Sadly he died of cancer in 2004. Mark's parents wanted an award to commemorate Mark and so the trophy is awarded to people who compete and contribute in all aspects of the club in the same way that Mark did.

UNIROYAL/STEEL CLAW TROPHY

Awarded to the member scoring most Rose and Crown points in car trials, Autosolos and Autotests organised by SDMC, or to which the club has been invited.

This trophy was given to the club by Uniroyal following club participation in the Belt Round Britain publicity stunt in October 1972 to demonstrate the wear capabilities of their "Steel Claw" tyres. Starting at Earl's Motor Show court several SDMC members collected a group of cars – Cortina Mk 3 GXL 2000 Auto, escort Mexico, Avenger 1500, Victor 2300SL and Mini Clubman 1000. They drove to Lands' End and on to Glasgow for their first overnight rest. They then returned south to Folkestone where they handed the cars over to the Folkestone Motor Club. Drivers included Chin, John Symes, rally photographer Hugh Bishop, and two Uniroyal reps in the Chrysler. Bernard Bird later suffered a spectacular accident at Valence Hillclimb in his special saloon Mini!

and respected in motorsport and also an accomplished cinema organist, John Symes has an LP of his!

TYRRELL-FLEMING TROPHIES

There are two separate trophies: Speed (left) and Non-Speed (right). Qualification: All events to which SDMC has been officially invited, but NOT for events that SDMC organises. Competitors must enter as a member of Sevenoaks & District Motor Club. Scoring System: Rose and Crown points are used

The Speed Trophy is awarded for Sprints and Hill Climbs. The non-speed Trophy is for Rallies, Autotests, Autosolos and Trials.

The Tyrrell Fleming trophies came from two members who rallied together, Ian Tyrrell and John Fleming. Ian worked for the family fencing company and eventually moved to the West Country to run a pub and John Fleming emigrated to South Africa where he continued to work as an agricultural engineer. While in the UK he tended to run slightly oddball cars such as a 1250 Alvis, and a Bentley or two.

COMMITTEE TROPHIES

All the trophies in this section are awarded by a vote of the SDMC committee.

TRENHAM CRESSWELL TROPHY

Awarded to the member who, in the opinion of the committee, does most to forward the interests of the Club. (Decided by secret vote.) This trophy can only be won by the same person once in five years.

Trenham Cresswell was a gentleman farmer who lived in a rather swish property in Blackheath and owned a farm in the Biggin Hill area and another in the Shoreham valley allowing SDMC to organise various events on his land including a speed grass hill climb, probably the only such event ever organised.

Awarded to the member who, in the opinion of the Committee, was the most successful in International Competition.

Vic Elford is a former sports car racing, rallying and Formula One driver from England. He participated in 13 World Championship F1 Grands Prix, debuting on 7 July 1968. He scored a total of 8 championship points. Nicknamed "Quick Vic" by his peers Elford was mainly a famous sports car competitor as well as a successful rally driver, associated often with Porsche.

Vic was the long term vice-president of the SDMC but sadly passed away in 2022. He closely followed the clubs activities from his home in Florida. <http://vicelford.com/> Vic always carried an SDMC badge on his car or helmet, even in the Steve McQueen Le Mans film.

RON COTTRELL TROPHY

For the 2017 season, SDMC created a new award in the memory of Ron Cottrell, for the most determined performance against adversity.

Ron was a pupil at the Valence School where SDMC held a hill climb for many years, combined with visits

made to the school by John Surtees that prompted Ron's interest in motorsport, it was to be a lifetime passion for him. Ron was born with cerebral palsy but despite many problems was determined to be involved, including serving as a flag marshal at Brands Hatch.

JGF ACORN TANKARD

First presented in 2009. The trophy was presented to the club by Jim Giddings, proprietor of Jim Giddings Furniture, he enjoys both beer and motorsport abroad and so the cup is a worthy commemoration. In 2015 Jim won his own trophy with a picture of himself and his new wife Becca on honeymoon!

Awarded for the best 'Acorn on Tour' picture. This includes the most amusing or impressive picture of someone showing the SDMC Acorn magazine (paper or electronic version), as voted for by the SDMC committee.

Suggestions could include a celebrity racing driver, an SDMC competitor at a motorsport event or an SDMC member in an exotic location. Creative and imaginative photos are encouraged.

JUNIORS PERFORMANCE TROPHY

The junior's trophy was suggested by Chris Judge and instigated by the SDMC committee in 2016 to encourage more young people to enter competitions as they had a chance at winning. Up to 2019 The winner is the person under 21 who scores the most points in the SDMC evening Autotest series. For 2020, it was renamed from "Juniors Trophy" to "Juniors Performance Trophy" to differentiate it from the similarly named autotest trophy and awarded by committee vote for the most impressive performance by a junior club member. For the 2021 season onwards, it is awarded to the Junior club member scoring the most Rose and Crown points. Note that Juniors are not required to qualify by marshalling for this trophy.

SPEED CHAMPIONSHIP

Sevenoaks and District Motor Club has been running a speed championship since 1970 and has had the benefit of being well supported by sponsors over the years. The Championship was started by Phil Whitehead who ran a garage in West Wickham. He raced an MG Midget and 970cc special saloon Mini. Phil also prepared race cars. Chris Judge purchased the Mini from him in 1978 and took over the running of the championship as Chris became 'Speed Secretary' of the club. The

championship then included 6 races, six sprints and two hillclimbs; Valence and Bodiam.

During the Seventies the Kentish Times Cup went to the winner of the championship, but in 1980 Bristol Street Motors began an eleven-year run as the championship's sponsor. Most of the Nineties was sponsored by Polkacrest who proudly continued the tradition, but for 2000 we were pleased to welcome The Marketing Machine at the head of this prestigious championship. The championship incorporates a number of awards as well as classes, such as Single-Seater, Tourist Trophy and Hillclimb categories. Prize money has historically been offered as well as trophies and we are proud to acknowledge widespread acclaim for this competition. Eligibility is restricted to Sevenoaks members only and requires gaining some marshalling points to qualify for an award. More recently we have had the sponsorship of Glazewing and StorGuard.

GRAPHICS

For the 2020 Speed League Season we are very proud to announce that the championship will again be sponsored by club member and 2016 Speed League

champion Chris Berrisford's Insite Graphics Company for the sixth year, beginning in 2014. Regulations and further details are available from the Speed Secretary or the Competition Secretary.

SPEED LEAGUE SCORING

Members can only score points in one car per event. It is up to the member to advise the Championship Scorer which vehicle is to score, prior to the event.

A competitor making FTD will receive 16 points, regardless of class size. Other competitors will be awarded points based on class position as follows: 1st in class 10 points; 2nd 9 points; 3rd 8 points; 4th 7 points; 5th 6 points; 6th 5 points. All other finishers will be awarded 4 points. (To be a finisher, competitors must complete one timed run). One extra point will be awarded for each class competitor beaten up to a max of 5pts.

(Any driver who starts practice, but fails to complete a timed run, will be considered as a 'competitor beaten' by a finisher. Competitors must advise the Scorer where this occurs; as such cars may be shown as DNS in the results.)

2 points will be awarded to contenders starting practice but not completing a timed run.

The winner of the overall speed league trophy will not be eligible to be awarded any other Speed League Trophies.

In addition to the main Speed trophies, there are special awards available. These reward certain aspects of the championship as there are circumstances that might preclude a competitor from the outright awards. Competitors can only be awarded one special award, where competitors are eligible to win more than one, awards will be given with in the following order: Best Newcomer, Historic Trophy, Hillclimb Trophy, PMJ Trophy, Muller Cup, Kentish Times Cup, Local Trophy, Tourist Trophy.

NEIL DAVISON MEMORIAL SHIELD (HILL CLIMB)

The Neil Davison Memorial Shield goes to the driver scoring most points in their best 3 Hill Climb rounds of the Speed League other than the overall winner of the Championship.

Neil was the chairman of Croydon MC. As a sprinter and rally driver he formed the Weald MC with Chin to get around licensing restrictions from MSA, to allow club members-only events to be organised. Sadly, he died young, suffering an accident at the finish line of a hill climb event when driving his Caterham. The trophy was instigated by the SDMC committee to commemorate Neil as he entered a lot of hill climbs.

PMJ ENGRAVING TROPHY

The PMJ Engraving Trophy goes to the driver scoring most points in the Speed League in a single seater or sports car. From 2015 onwards this excludes the overall winner of the Championship. Points shall be scored as per the overall Speed League calculation taking the 10 best results, reduced where there are insufficient rounds. The PMJ company based in Southborough was started by Doug Jennings (the trophy is named after his wife Pauline M Jennings) and was sold to Dave Wilkins when he retired. Sadly, Dave became seriously ill, so Chin helped out with work, then bought the company from Dave's estate when he passed away. Doug did a number of official roles in the club and started out in rallying. The Australian Formula 1 driver Mark Webber lived with Doug and attended his funeral. Doug founded the motorsport consortium from the Rochester, Sevenoaks and Tunbridge Wells motor clubs to put on co-operation events. There were no contenders for this award from 2015.

JOHN GOTT MEMORIAL TROPHY

Awarded to the driver scoring most points in the Stage Rally Championship. 1973-76 to the winner(s) of the Rally Championship.

John Gott was the Chief Constable of Northamptonshire and an international rally driver. This trophy is actually a genuine Coupes des Alpes for completing a stage unpenalised. Between 1942 and 1945 he was

attached to Bomber Command and he was awarded the George Medal for rescue work during an air raid, and the MBE for rescuing the crew of a blazing RAF plane. In 1947 he acquired an HRG and finished every Alpine Rally from 1948 to 1951, winning a Coupe des Alpes in 1951. By the late fifties he was a member of the highly successful BMC works rally team which dominated the Alpine and Liege Rallies of 1960, and he also took class wins on the Tulip, Liege and Geneva rallies, mainly in Austin Healeys. In 1960 John was appointed Chief Constable of Northamptonshire and retired from rallying. He held this post until his death, and was known for his outspoken views on the wearing of seatbelts and speed limits. He took up club motor racing in an ex-works Austin Healey, with which he had many class, race and championship wins. He was also Vice-Chairman of the RAC Competitions Committee and sat on the CSI International Court of Appeal. He was killed at the wheel of his racing car in 1972. The picture shows John on the right with Ray Brookes and their MGA twin cam in 1958.

CHIN TROPHY

From 1961 to 1977 the B.E.A.R Trophy was awarded to the winning navigator on the Fleabite Rally, 1977-1984 Oakleaf Rally, Kent Rally 1985-2005. Not awarded between 2006 and 2015. From 2018 this has been reinstated for the most successful Navigator on SDMC organised or invited road rally events. For the 2019 season this was rededicated as the Chin Trophy to commemorate his long dedication to the club, his passion for navigating and his commitment to training new club members in the art of rally navigation.
